Paycheck Protection Loan Forgiveness

Deadline for Applying for PPP Loan Forgiveness is December 31, 2020

Checklist and Required Documentation:

Step 1: Determine if you can apply for forgiveness of your PPP loan using the SBA Form 3508EZ (You are eligible to use the SBA Application Form 3508EZ if you can check at least one of the three boxes below:)

- The Borrower is a self-employed individual, independent contractor, or sole proprietor who had no employees at the time of the PPP loan application and did not include any employee salaries in the computation of average monthly payroll in the Borrower Application Form (SBA Form 2483)

- The Borrower did not reduce annual salary or hourly wages of any employee by more than 25 percent during the Covered Period or the Alternative Payroll Covered Period (as defined below) compared to the period between January 1, 2020 and March 31, 2020 (for purposes of this statement, "employees" means only those employees that did not receive, during any single period during 2019, wages or salary at an annualized rate of pay in an amount more than \$100,000);
AND
The Borrower did not reduce the number of employees or the average paid hours of employees between January 1, 2020 and the end of the Covered Period. (Ignore reductions that arose from an inability to rehire individuals who were employees on February 15, 2020 if the Borrower was unable to hire similarly qualified employees for unfilled positions on or before December 31, 2020. Also ignore reductions in an employee's hours that the Borrower offered to restore, and the employee refused.

- The Borrower did not reduce annual salary or hourly wages of any employee by more than 25 percent during the Covered Period or the Alternative Payroll Covered Period (as defined below) compared to the period between January 1, 2020 and March 31, 2020 (for purposes of this statement, "employees" means only those employees that did not receive, during any single period during 2019, wages or salary at an annualized rate of pay in an amount more than \$100,000);
AND
The Borrower was unable to operate during the Covered Period at the same level of business activity as before February 15, 2020, due to compliance with requirements established or guidance issued between March 1, 2020 and December 31, 2020 by the Secretary of Health and Human Services, the Director of the Centers for Disease Control and Prevention, or the Occupational Safety and Health Administration, related to the maintenance of standards of sanitation, social distancing, or any other work or customer safety requirement related to COVID-19.

If you were unable to check any of the boxes above, you are ***not*** eligible to use the EZ Application and must proceed to Step 2.

Step 2: Determine your use of the “Covered Period” or the “Alternative Covered Period” for payroll expenses

The loan forgiveness is based on Payroll Expenses during the “Covered Period” or the “Alternative Covered Period” + the Nonpayroll Expenses for the “Covered Period”

- The “Covered Period” is either (1) the 24-week (168-day) period beginning on the PPP Loan Disbursement Date, or (2) if the Borrower received its PPP loan before June 5, 2020, the Borrower may elect to use an eight-week (56-day) Covered Period. For example, if the Borrower is using a 24-week Covered Period and received its PPP loan proceeds on Monday, April 20, the first day of the Covered Period is April 20 and the last day of the Covered Period is Sunday, October 4. In no event may the Covered Period extend beyond December 31, 2020.
- The “Alternative Covered Period” - Borrowers with a biweekly (or more frequent) payroll schedule may elect to calculate eligible payroll costs using the 24-week (168-day) period (or for loans received before June 5, 2020 at the election of the borrower, the eight-week (56-day) period) that begins on the first day of their first pay period following their PPP Loan Disbursement Date. For example, if the Borrower is using a 24-week Alternative Payroll Covered Period and received its PPP loan proceeds on Monday, April 20, and the first day of its first pay period following its PPP loan disbursement is Sunday, April 26, the first day of the Alternative Payroll Covered Period is April 26 and the last day of the Alternative Payroll Covered Period is Saturday, October 10.
- You must choose one Period for all payroll expenses used in the forgiveness calculation
- The best timeframe is the period that results in the most forgivable expenses
