Source: [Capital Performance Group](#) analysis of data from S&P Global Market Intelligence.

**Notes:** Ranking is of bank holding companies, banks, and thrifts that had total assets of less than \$2 billion as of Dec. 31, 2018, and that are publicly traded or report financials to the SEC. Ranking is based on three-year average ROAE for 2016 to 2018. Additional data shown is for the 12 months ended Dec. 31, 2018. Financials are sourced from SEC filings. If unavailable, regulatory financials were used. Excludes institutions that failed to report GAAP or regulatory data for any year during the ranking period. Excludes institutions with a leverage ratio of less than 5%, a Tier 1 risk-based capital ratio of less than 6%, or a total risk-based capital ratio of less than 10% in any quarter. Excludes industrial banks and institutions that operated as a subchapter S corporation at any time during the ranking period. Also excludes institutions that received a tax benefit of greater than 10% of net income in 2016, 2017 or 2018. Using the preceding criteria, 102 publicly traded institutions in this size range were excluded. A total of 601 institutions qualified for the ranking. All data as of March 17, including closing prices.

\* Denotes institutions that were acquired or merged between Jan. 1, 2019, and March 21, 2019.
